ANCIENT SPIRIT, MODERN MIND

## Housing Application

Huu-ay-aht First Nation is committed to ensuring citizens have access to safe and healthy place to live. With this in mind, the Upper Anacla subdivision will have a number of housing units available in the future. In order to plan for the community's needs, we ask that citizens fill out this housing application. By doing so, it will give us an idea as to how many units are needed during the planning stages.

By filling out this form, you are not committing to moving into one of the housing units. There are only a limited number of units available, and we ask that applicants apply early so that the Nation has a better idea of the needs of the community.

If you have any questions, please send them to: [Housing@huyuayht.org](mailto:Housing@huyuayht.org)
